

CEC PIER Technical Meetings on the Climate Change Research Plan

—Updated Meeting Agenda—

California Energy Commission

1516 Ninth Street

Sacramento, California

All presentations will be webcast via Webex¹

Day 1 – Wednesday, August 20, 2008

1:00 PM – 4:45 PM

Hearing Room A

- 1:00 - 1:15 – ***Introduction*** (Guido Franco, CEC)
- Purpose of technical meetings
 - Format for the meetings
 - Introductions by attendees – name, affiliation, area of expertise
- 1:15 - 3:00 – ***Inventory Methods – Part I***
- Brief overview of topic (Guido Franco)
 - Summary of Discussion Paper (Margaret Torn, LBNL; and Amber Kerr, UC Berkeley)
 - Facilitated discussion of research gaps
- 3:00 - 3:15 – Break
- 3:15 - 4:30 – ***Inventory Methods – Part II***
- Facilitated discussion of research priorities
- 4:30 - 4:45 – Wrap Up

¹ See last page for instructions on using Webex.

Day 2 – Thursday, August 21, 2008

8:30 AM – 5:30 PM

Hearing Room B

8:30 - 8:45 – ***Introduction*** (Guido Franco, CEC)

- Purpose of technical meetings
- Format for the meetings
- Today's topics
- Introductions by attendees – name, affiliation, area of expertise

8:45 - 10:30 – ***Economics of Mitigation & Adaptation***

- Brief overview of topic (Guido Franco)
- Summary of Discussion Paper (Alan Sanstad, LBNL)
- Facilitated discussion of research gaps
- Facilitated discussion of research priorities

10:30 - 10:45 – Break

10:45 - 12:30 – ***Environmental Justice***

- Brief overview of topic (Guido Franco)
- Introductions by attendees – name, affiliation, area of expertise
- Summary of Discussion Paper (Prasad Shankar, Consultant)
- Facilitated discussion of research gaps
- Facilitated discussion of research priorities

12:30 - 1:30 – Lunch

1:30 - 3:15 – ***Public Health***

- Brief overview of topic (Guido Franco)
- Introductions by attendees – name, affiliation, area of expertise
- Summary of Discussion Paper (Paul English, CDPH; and Rupa Basu, OEHHA)
- Facilitated discussion of research gaps
- Facilitated discussion of research priorities

3:15 - 3:30 – Break

3:30 - 5:15 – ***Social Sciences and Climate Related Decision Support***

- Brief overview of topic (Guido Franco)
- Introductions by attendees – name, affiliation, area of expertise
- Summary of Discussion Paper (Susanne Moser, Consultant)
- Facilitated discussion of research gaps
- Facilitated discussion of research priorities

5:15 - 5:30 – Wrap Up

Day 3 – Friday, August 22, 2008

8:30 AM – 4:15 PM

Hearing Room B

8:30 - 8:45 – ***Introduction*** (Guido Franco, CEC)

- Purpose of technical meetings
- Format for meetings
- Today's topics
- Introductions by attendees – name, affiliation, area of expertise

8:45 - 10:45 – ***Adaptation and Vulnerability***

- Overview of Discussion Paper (Susanne Moser, Consultant)
- Facilitated discussion of research gaps
- Facilitated discussion of research priorities

10:45 - 11:00 – Break

11:00 - 12:45 – ***Agricultural Impacts and Adaptation Options***

- Brief overview of topic (Guido Franco)
- Introductions by attendees – name, affiliation, area of expertise
- Summary of Discussion Paper (Louise Jackson, UC Davis)
- Facilitated discussion of research gaps
- Facilitated discussion of research priorities

12:45 - 1:45 – Lunch

1:45 - 4:00 – ***Ecology/Forestry***

- Brief overview of topic (Guido Franco)
- Introductions by attendees – name, affiliation, area of expertise
- Summary of Discussion Paper (Rebecca Shaw, TNC & Stanford; and Tim Robards, CalFire)
- Facilitated discussion of research gaps
- Facilitated discussion of research priorities

4:00 - 4:15 – ***Wrap Up***

Day 4 – Monday, August 25, 2008

9:00 AM – 5:00 PM

Hearing Room B

9:00 - 9:15 – **Introduction** (Guido Franco, CEC)

- Purpose of technical meetings
- Format for meetings
- Today's topics
- Introductions by attendees – name, affiliation, area of expertise

9:15 - 10:15 – **Energy**

- Brief overview of topic (Guido Franco)
- Summary of Discussion Paper (Tom Wilbanks, ORNL; and Guido Franco, CEC)
- Facilitated discussion of research gaps
- Facilitated discussion of research priorities

10:15 - 10:30 – Break

10:30 - 12:00 – **Joint Session on Climate Monitoring/Analysis/Modeling, Water Resources, and Sea Level & Coastal Change - Part I**

- Brief overview of topics (Guido Franco)
- Introductions by attendees – name, affiliation, area of expertise
- Summary of Discussion Paper on Climate Monitoring, Analysis, and Modeling (Dan Cayan, Scripps; and Mike Dettinger, USGS & Scripps)
- Summary of Discussion Paper on Water Resources (Jamie Anderson, DWR)
- Summary of Discussion Paper on Sea Level & Coastal Change (Reinhard Flick, Scripps & CalBoating; and Peter Bromirski, Scripps)

12:00 - 1:00 – Lunch

1:00 - 2:45 – **Joint Session on Climate Monitoring/Analysis/Modeling, Water Resources, and Sea Level & Coastal Change - Part II**

- Response to presentations (Peter Gleick, Pacific Institute)
- Facilitated discussion of research gaps

2:45 - 3:00 – Break

3:00 - 4:45 – **Joint Session on Climate Monitoring/Analysis/Modeling, Water Resources, and Sea Level & Coastal Change - Part III**

- Facilitated discussion of research gaps (continued)
- Facilitated discussion of research priorities

4:45 - 5:00 – Wrap Up
